Dear Director,

We are thrilled to have you and your students with us for our 4th Annual CMB Band Day at the University of Louisville! Attached are parts for our combined halftime selection, *America The Beautiful* arranged by Carmen Dragon and Jay Dawson. Additionally, percussion students will spend time in sectionals rehearsing musical exercises. Percussion exercises are enclosed. **Please note:** We will not utilize a front ensemble; students who regularly play front ensemble should bring and play a pair of cymbals. Please have your students prepare and bring their music and flip folder with them to the game. For Color Guard members, please direct them to this link to see a video of the work they should prepare: <http://tinyurl.com/jkvs4lu>

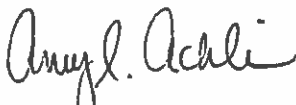

The game kickoff time has not yet been announced. Game times are normally announced two Mondays before the game. We are anticipating an early afternoon kickoff. As a reference point, Band Day parking will open 6 hours before kickoff. Parking instructions are included with this letter. A detailed schedule will be sent at a later date.

Registration will occur at the Trager Center (indoor football facility) next to Papa John's Cardinal Stadium. Please see the attached map for location. Band Directors will check in and pick up a single packet for their entire group. Students will store instrument cases in the Trager Center before rehearsal begins.

Please also pass along to your students to wear dark jeans for the performance. Jeans will be worn with a red long-sleeved "Band Day" shirt that will be provided at registration. Food vouchers will be provided to all student band participants. These vouchers can be redeemed at stadium concessions on Band Day for a personal pan pizza and a drink.

Many thanks for your support of this event! We anticipate a combined band of over 1,000 performers on the field for halftime! Please don't hesitate to contact us if you have any questions!

Sincerely,

Amy I. Acklin
